
* Beginning Calligraphy Class

Thursdays 9:00 -11:30

Winter Session ... January 5 — March 22, 2012

Meet us down in the Clubhouse

Beginning with this 12 week Winter Session, we will be returning to a **truly beginning class**. The key word for this session is "**SIMPLE**". If you have always wondered what a "beginning calligraphy class" entails, this is your chance. We will start at the very beginning...*Simple* instruction of *simple* letterforms written with *simple* tools, all done at a manageable pace. We will investigate and attempt to become proficient in two very *simple scripted* styles of "beautiful writing". We might even attempt to do a project or two to put our new found skills to work. We will be doing a lot of in class writing...so expect two one hour work sessions with a short break in the middle. We use lecture, board demonstrations, original one of a kind hand-outs and hands on demonstrations to learn this skill. Some basic equipment is required and brought by the instructor for borrowing by **new students** during initial classes.

"FUN" is still the name of the game!...so come spend a few hours each week with some of the "funnest" people around. and learn a new skill.

Instructor: Douglas Boyd

**Cost: \$15.00 (to City of La Mesa), for 12-week session.
